Policy

Lalor North Primary School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Lalor North Primary School support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website, our staff induction handbook, and enrolment/transition packs.

Vision

At Lalor North Primary School our vision is to learn and grow together in an inclusive, safe and caring community. We embrace learning, celebrate success and make a difference for every child and their future.

Mission

At Lalor North Primary School our mission is to build a culture of high-expectations for all that ensures our students experience high levels of social, emotional and academic growth.

Objective

The Lalor North Primary School community is united to provide our students with every opportunity to learn and grow. Our students become creative, collaborative, critical thinkers who develop their agency, self-efficacy and self-belief through the provision of:

- Differentiated, in-depth, sequenced and cohesive learning programs aligned to and informed by the Victorian Curriculum
- Highly effective teaching, focussed on improving student outcomes, through a commitment to ongoing professional development, evidence-based practices, peer observations, Professional Learning Communities, coaching and mentoring, collective efficacy and collaboration
- An inclusive, safe, welcoming learning environment that is responsive to student voice
- Rich, engaging, authentic, challenging learning tasks in every classroom, every session, every day
- Genuine partnerships and opportunities for community and parents to participate in learning and decision-making.

Values

Lalor North Primary School's values are:

RESPECT

We respect ourselves, our school and each another, and understand that our attitudes and behaviours have an impact on the people around us.

HONESTY

We communicate openly and work together to solve problems. By demonstrating honesty and acting with integrity we build trust, which enables us to collaborate, to take greater risks with our learning and to be more resilient when things go wrong.

UNITY

We have many languages, come from many backgrounds and are a school of many differences, but we speak with one voice, as one school. We develop a sense of connection and belonging within each part of our school, and across the whole school.

SUCCESS

We help each other learn so that everyone experiences success every day. Success means doing new things, learning new skills, finding new ways of thinking and solving interesting, complex and challenging problems.

RESILIENCE

We know trying new things; experiencing challenges and bouncing back from adversity are central to life and to learning. Only by building our resilience can we experience strong levels of growth.
